STANDARD GRAPHIC MODULES

- ※ EL, LED: means only standard Y/G EL and Y/G LED available, the changes on B/L could need additional tooling cost;
- ※ All the standard graphic modules are with options of STN LCD technologies;
- ※ "-G" in the P/N means a COG module, "-T" in the P/N means a TAB module, "-F" in the P/N means a COF module.
All the others are COB or SMT modules.
